

Distributions

and

Inequality Measures in Economics

Milan, February 20-21, 2020

The Department of Statistics and Quantitative Methods (University Milano-Bicocca), the Department of Economics, Management and Statistics (University of Milano-Bicocca) and the Scientific Committee of the journal *Statistica & Applicazioni* announce the organization of the International Conference on

“Distributions and Inequality Measures in Economics”.

The aim of the conference is to widespread and share recent and novel advances in the study of income inequality and income distributions.

Conference themes

The themes of the *dime2020* conference are focused on but not restricted to:

- Inequality (concentration) Curves
- Inequality (concentration) Measures
- Decomposition of Inequality (concentration) Measures
- Distribution models for Incomes representation
- Empirical analysis of Incomes data
- Applications of Methodologies for Inequality analysis

A special session will be organized in memory of Paolo Radaelli, in occurrence of the tenth anniversary of his departure. In this session, oral presentations on

- Industrial Concentration
- Quantile Regression
- Classification Trees

are welcome.

Venue

University of Milano - Bicocca
Building U7
Via Bicocca degli Arcimboldi, 8
20126 Milano (Italy)

Registration and Submission

Participation at the dime2020 conference is subject to registration and fee payment.

	Early registration payment up to 23/12/2019	Late Registration payment after 23/12/2019
PhD and post-Doc Students	40€	60€
Other participants	60€	80€

The registration form and the instructions for the fee payment can be found at

dime2020.dismeq.unimib.it .

Researchers who intend to present an oral contribution should send an Abstract directly to dime2020@unimib.it. The Abstract must be less than 500 words and should be submitted before November 30, 2019. For the first submission, a pdf file is requested. After Abstract acceptance (which will be notified on December 15, 2019), authors should send it in an editable format (.tex or .docx) to dime2020@unimib.it.

LaTeX and Word templates for Abstract submission can be downloaded at

dime2020.dismeq.unimib.it .

Extended paper submission

The authors of all the oral presentations are kindly invited to submit an extended paper of their contribution to *Statistica & Applicazioni*. In the last years, several relevant papers on the study of inequality have been published on this journal. Authors Guidelines for paper submission can be found at

<http://statisticaeapplicazioni.vitaepensiero.it/pagina/authors-guidelines-2908.html>

The papers will follow a double blind review process.

Organizing committee

- Prof. Michele Zenga (Chair, University of Milano-Bicocca)
- Prof. Vittorio Frosini (Università Cattolica del Sacro Cuore, Milano)
- Prof.ssa Marcella Poliscchio (University of Milano-Bicocca)
- Prof.ssa Angiola Pollastri (University of Milano-Bicocca)
- Prof. Claudio Borroni (University of Milano-Bicocca)
- Prof.ssa Manuela Cazzaro (University of Milano-Bicocca)
- Prof.ssa Francesca Greselin (University of Milano-Bicocca)
- Dott.ssa Mariangela Zenga (University of Milano-Bicocca)
- Dott. Lucio De Capitani (University of Milano-Bicocca)
- Dott. Francesco Porro (University of Milano-Bicocca)
- Dott. Mauro Mussini (University of Milano-Bicocca)
