

1 Full time Research Assistant + 1 Part time Research Assistant

I am looking for two research assistants (1 part-time and 1 full-time) to work on a set of projects aim at understanding the persistence of harmful traditions in Africa (i.e. child marriage, female genital cutting, breast ironing) and on the design of interventions to change them. The positions will be funded by my ERC "*HarmfulTraditions*", GA n° 852172.

The job involves microdata analysis and might require some field works in Africa between 2020 and 2021.

Requirements

- Excellent analytical and social skills
- Excellent knowledge of STATA, LaTeX and Microsoft Office. Knowledge of ArcGis is a plus
- Excellent oral and written communication skills in English and French
- Experience managing Randomized Control Trials and field experience in developing countries

Application

For any additional questions, please contact prof. Lucia Corno at lucia.corno@unicatt.it

If interested, send you CV, a motivation letter and a reference letter to lucia.corno@unicatt.it with the object "Full Time RA application" or "Part Time RA application".

Salary will be defined based on CV and experience

Starting date of the contract: 1 September 2020

Duration: 12 months, renewable

Deadline for application **July 31, 2020.**
