

Workshop on
*“Understanding changes in living and working conditions for
reducing health inequalities in EU”*

November 6-7, 2025

organized by
Department of Economics, Social Studies, Applied Mathematics and
Statistics (ESOMAS), University of Turin

CALL FOR PAPERS

The workshop is promoted by the **University of Turin** (Department of Economics, Social Studies, Applied Mathematics and Statistics) and the **University of Milan-Bicocca** (Department of Economics, Management, and Statistics) to deepen the knowledge about the effects of living and working conditions on health outcomes.

Keynote speaker: Viola Angelini (University of Groningen)

We welcome submissions of papers that present theoretical or empirical analyses of topics related to: *working environments and health; housing and health; social capital, regional disparities and health; geographical distribution and inequalities in access to healthcare; access to health for marginal social groups (e.g. immigrant)*. Submissions of papers on more general topics related to health and inequalities are also welcome. Researchers should send an extended abstract to health_inequalities_workshop@unito.it. The deadline for paper submissions is **June 15, 2025**. Authors will be notified by **July 2025** regarding the acceptance of their papers.

Conference Fees and Financial Support

The conference fee is €75 and includes coffee breaks and lunch. Accommodation for the night of the 6th of November will be provided to all presenters at a hotel chosen by the organizers. Travel expenses, however, must be covered by the presenters themselves.

Organizers and scientific committee: Michele Belloni (UniTo), Riccardo Borgoni (Unimib), Marina di Giacomo (UniTo), Bianca Dibari (Unimib), Elena Meschi (Unimib), Alessandra Michelangeli (Unimib), Ambra Poggi (UniTo), Enza Simeone (UniTo).

The workshop is financed by **PRIN-PNRR P20227EJEE**.
