About the conference

The Department of Economics and Finance of the University of Bari, in collaboration with the Luxembourg Institute of Socio-Economic Research (LISER), the Department of Economics and Law of Sapienza University of Rome, the International Inequalities Institute of the London School of Economics, and the School of Economics and Finance of Queen Mary University of London, is organizing the 2nd edition of the international conference “Inequalities and Opportunities”. The conference aims to bring together scholars from different disciplines to share current research on the measurement and analysis of economic inequalities.

The conference will begin on the afternoon of June 25. The social dinner is scheduled for the evening of June 25. Conference activities will conclude on June 26. As in previous editions, social activities will be planned for June 27.

We welcome submissions of papers and extended abstracts on inequality, intergenerational mobility, inequality of opportunity, poverty, social welfare, and related topics.

Keynote speakers

[Steven Durlauf](#) (University of Chicago)

[Ada Ferrer-i-Carbonell](#) (Institut d’Anàlisi Econòmica)

[Aldo Rustichini](#) (University of Minnesota)
